Recommended Talking Points

- Maximize your health plan benefits, and schedule your 45-60 minute Jump Start assessment
- When you complete your Jump Start, you help your PCP and health plan better coordinate and connect all your healthcare services
- The appointment is provided at an Alignment Healthcare location, or as a home visit
- Transportation to/from the Alignment Healthcare Center is included
- All results are shared with your PCP immediately, this appointment does not replace our care
- There is no extra cost to you
